Hi Erica and Doug,

I'm still working on the lab info for you. We are madly working to get our results from the initial sampling reviewed and out. I suspect this email went to Neil Taylor and to Mike Zucker at UDEQ but I wanted to be sure you had it also asap.

Folks,

pH data information is posted on the website – [www.epaosc.org/goldkingmine](http://www.epaosc.org/goldkingmine).  
Click on documents (either at the top of the website or right side of page) and it  
should be top of the list. More data to come. Thank you, Gina
